SUBJECT: **CHILDHOOD LEAD POISONING PREVENTION PROGRAM – CENTERS FOR
DISEASE CONTROL AND PREVENTION (CDC) GRANT – FY 2008-09**

This is to advise you that the Department of Public Health (DPH) is exercising the delegated authority approved by the Board on May 30, 2006, to accept the Notice of Cooperative Agreement, Grant Award No. 5H64EH000150-03 from the CDC, which will provide funds to support the County's Childhood Lead Poisoning Prevention Program (CLPPP).

In a letter dated June 27, 2008, the CDC awarded DPH this grant, which provides funding for fiscal Year 2008-09. This award, in the amount of \$685,853, is the third year of funding in a five year grant award. These funds will enable the Childhood Lead Poisoning Prevention Program to continue existing programs and services.

County Counsel reviewed and approved the initial award for this grant cycle during FY 06-07. If you have any questions or require additional information, please let me know.
